

Digital Media Internship

Summer 2025

Albacore Park welcomes current or recent undergraduate and graduate students who wish to gain experience in social media content development, public relations, museum interpretive planning, exhibit development, or related fields.

This internship is funded in part by the New Hampshire Humanities Council, for the production of *Charting Our Course: Albacore Park Maritime Interpretive Planning*. This project will construct an interpretive plan for regional maritime history for Albacore Park, incorporating feedback from and generating interest from the public sector. Half of the hours worked during this internship must be in support of this project

Duration: 140 hours per semester, schedule flexible.

Start: No sooner than April 14, 2025 End: No later than August 31, 2025

Compensation: A \$2,000 stipend will be paid at the end of the internship period.

Reports to: Andrew Goldstein, Curator

Responsibilities will include, but are not limited to:

- Recording and editing of video and still images as related to the NHH project
- Publicizing and marketing Charting Our Course activities through social media and other platforms
- Solicitation of participation in focus groups
- Documenting correspondence and public reaction from media posts
- Development of social media content such as historical articles, information about the museum collections and exhibitions, and scanning of photographs for publicity use.
- Development of digital content for exhibitions, including both physical and virtual exhibits
- Reporting on social media analytics

Applicants should email a cover letter and resume to agoldstein@ussalbacore.org, with "Internship – Digital Media" in the subject line.
